

The StarTech.com
Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

8 Port VGA Video Splitter - Wall Mountable

StarTech ID: ST128W

Distribute and deliver VGA video content with the Converge A/V two-port VGA video Splitter by StarTech.com. Allowing a single VGA video source to be displayed on eight monitors simultaneously, the ST128W VGA Video Splitter is perfect for retail and tradeshow environments, as well as educational and government facilities, or corporate displays where high quality video is required.

The ST128W supports resolutions up to 1600 x 1200 and can be wall-mounted for "out of the way" installation. The VGA Splitter lets you locate screens up to 200' away from your system, and offers easy plug and play installation that makes for a quicker setup.

Rely on Converge A/V products for all your Audio/Visual and Digital Signage needs.

Applications and Solutions

- > Airports, bus terminals and train stations
- > In-store product merchandising
- > Information booths/kiosks
- > Lecture halls and classrooms
- > Trade-shows
