

## AVerKey3 Plus

PC/Mac-to-TV Converter

Displaying mobile computer presentations on a large TV screen has never been easier. The AVerKey3 Plus comes with a remote control that allows you to access all the functions. It supports resolutions up to 800 x 600 for both PC and Mac. Powerful features like zoom and pan, flicker control, area zoom and much more make it easier to create professional-looking presentations for business or educational use.
